

State of Nevada Petroleum Fund

APPLICATION

for coverage of portable above ground tank

OWNERSHIP OF TANK

Name	Phone
------	-------

Mailing Address	City	State	Zip Code
-----------------	------	-------	----------

TANK IDENTIFICATION

Age (estimated)	Capacity (gallons)
-----------------	--------------------

Tank Material (steel, etc.)	ID. Number Stamped on Tank
-----------------------------	----------------------------

I _____, owner of the tank on this application request registration of the tank listed for coverage under the State of Nevada Petroleum Fund.

The tanks above are used for the temporary storage of petroleum that is liquid at temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute.

This tank will be inspected visually at least twice each year and immediately before and after each relocation.

The Division will be notified within 30 days after a relocation of the tank and that notification will attest that the registered owner of the tank is the responsible operator of the tank after relocation.
